**Eddie Eagle.** With firearms present in about half of all American households, all young children should know the single most important rule of being "GunSafe." If you see a gun: STOP! Don't Touch. Leave the Area. Tell an Adult. The Eddie Eagle GunSafe Program takes this fundamental safety message to millions of pre-K to sixth-grade children each year. Through a fast-paced animated video and activity books, the program's mascot, Eddie Eagle, teaches his younger friends to repeat and follow his simple safety message. Eddie Eagle reaches children and helps prevent gun accidents.
